

REMOTE DEPOSIT CAPTURE

Imagine all your checks being guaranteed with no more NSF's. Imagine no more wasted hours traveling to and from the bank. Imagine depositing all your checks directly at the Point of Sale. With Remote Deposit Capture from UTA, now you can. We provide everything; a check imager for scanning your checks, processing software, and full reporting at your fingertips. You simply insert the check into the machine and it's automatically scanned and deposited into your bank account, guaranteed!

Scan your checks for instant bank deposits, with no returns.

- Lowers costs and accelerates availability of funds
- Reduces bank fees and lockbox fees
- Reduces fraud risk
- Eliminates lost revenue from returned checks
- Deposit multiple checks at one time - 24/7
- Real time reporting online - 24/7
- Historical data at your fingertips
